## CDN News

### From the office

Dear members,

Over the last couple of weeks at CDN we have been busy producing our annual report and preparing for the AGM coming up on May 22nd. Now the focus turns to our *Expanding Cultures* conference, this week especially shaping up the *Pitching for Communities* competition. We would be pleased to have your help to share information about this novel event with artists in your networks. We hope that *Pitching for Communities* will help artists be more successful in attracting partners and funding for good projects. And one of the conference delegates may hear about a project they would like to mount or fund!

This month we have welcomed Elodie Hodgkins to the CDN team to work part-time as conference assistant. Elodie's diverse experience in marketing and event management includes a recent position as Event Organiser for the Food Bowl and Building Expo in Shepparton and volunteer with the Shepparton Arts Festival. Elodie can be contacted on 9658 8593 or **elodie.**
