

Cultural Development Network

2017 CDN Study Tour

UCLG Culture Summit and Exchange with Jeju Island, South Korea

Full dates 8 May to 17 May, 2017 inclusive.

2ND CULTURE SUMMIT OF UCLG SPECIAL SELF-GOVERNING PROVINCE OF JEJU 10-13 MAY 2016

Cultural Development Network is leading a tour for Australian local government arts and cultural development managers to attend the [2nd UCLG Culture Summit](#) on Jeju Island, South Korea departing Melbourne 8 May and returning 17 May, 2017.

The package includes all flights, transfers, accommodation, Culture Summit registration, all breakfast and most other meals.

In addition to the Summit, the group will participate in an all-day meeting and exchange with the cultural development team of the Special Self-Governing Province of Jeju. This workshop will bring practical examples of planning and evaluation using measurable cultural outcomes; providing valuable understanding of the use of measures and outcomes in diverse settings.

The Culture Summit is the most significant global gathering of local and regional government cultural development professionals that connects the diverse practices from the UCLG worldwide network.

The first UCLG Culture Summit was hosted by the City of Bilbao (Basque Country, Spain) from the 18-20 March 2015. The second UCLG Culture Summit is hosted by the Special Self-Governing Province of Jeju in collaboration with UCLG ASPAC and UCLG Committee on Culture.
